Summary of Principal Plan Provisions

The following is a summary of the major provisions of the above plan as of the above Valuation Date. Please refer to the plan document for a more complete description of the most recent Plan provisions.

- **Effective Date and Plan Year**

The original effective date was April 1, 1962. Most recent amended & restated plan effective 4/1/2010.

- **Eligibility for Coverage**

All eligible employees of the employers who have collective bargaining agreements or participation agreements with the Plan.

- **Credited Service**

Past Credited Service: Completed years and quarters of continuous affiliation (employment) with the Union (an employer) prior to April 1, 1962 up to a maximum of 15 years. Year of Service: An employee receives credit for each full year for each plan year for which he is credited with 500 or more hours of service.

- **Normal Retirement Benefit**

Normal Retirement Age is the later of age 65 and 5 years of participation or 16,000 or more Covered Hours.

The normal retirement benefit is equal to \$10 for each year of Past Credited Service, not to exceed \$150; plus 3.27% of contributions paid on behalf of Covered Employment through March 31, 2008; 2.75% through August 31, 2009 and 1% thereafter.

The normal form of payment is a life annuity with 60 payments guaranteed.

- **Early Retirement**

A participant may retire after age 55 with 24,000 or more of Covered Hours. The early retirement benefit is the computed Normal Retirement Benefit reduced by ½ percent for each month that the early benefit date precedes age the participant's Normal or non-reduced early retirement date (see table below).

	If employed on/after Jan 1, 2001							
Age	57	58	59	60	61	62	63	64
Covered Hours	60,000	55,000	50,000	45,000	40,000	35,000	30,000	25,000
