Re: Health & Welfare Fund

New Prescription Benefit Manager effective January 1, 2019
OptumRx

As a Board, we are pleased to announce that OptumRx has been chosen to replace CVS/Caremark as your Prescription Benefit Manager (PBM) **effective January 1, 2019**.

In regards to this decision, your H&W Fund participates in the Internationals (IUOE) Healthcare Coalition, which represents over 440,000 lives. During their most recent negotiation for services for the 2019 – 2021 contract, OptumRx was chosen as the sole vendor by exceeding value and savings for the participants.

Remember, you can continue to use your same pharmacy, **you will need to present your new OptumRx ID card** so they can update your PBM information, and verify they are in your network.

An exciting improvement is that you can now have a 90 day supply filled at any participating pharmacy. Also, there have been **no changes to your benefit co-payment amounts**. Below is a brief summary.

<u>Annual Deductible</u>	\$100 per individual	(Based on a calendar year)
<u>At the Pharmacy</u> (30 day supply)	Generic	You pay the greater of \$7.50 or 10% of the cost
	Preferred Brand	You pay the greater of \$20 or 20% of the cost
	Non-Preferred Brand	You pay the greater of \$35 or 30% of the cost
<u>Mail Order Program</u> (90 day supply)	Generic	You pay \$20 per prescription
	Preferred Brand	You pay \$40 per prescription
	Non-Preferred Brand	You pay \$80 per prescription

Should you choose a brand name when a generic is available, you will pay the brand name co-pay plus the cost difference between the brand and the generic.

If you received a letter from OptumRx advising that you will need to change your current medication to a less expensive version, you can disregard this notice as we have informed OptumRx that we do not require our participants to use a less expensive medication, it is your choice.

Should you have any questions or need to order additional ID cards, **you can contact OptumRx member services by calling 1-855-295-9140**. You can also **print a temporary member ID card at optumrx.com**. In the coming weeks, we will also be mailing you new Medical ID cards that will include your new OptumRx information, then you will have all of your information on a single card.

Please contact the Fund Office at (304) 525-0482 or 1-800-642-3525, should you have any questions or need additional information.
